SKILLS/PROGRAMMING LANGUAGE

Android Development :

Java, Kotlin (Basics), Jetpack

Compose (Basics), XML

IOS in Cross-Platform :

Flutter, Dart.

Web Development :

HTML, CSS, JavaScript, Bootstrap

Backend :

Laravel, PHP, NodeJS.

Frameworks & Tools

Android Studio, Vs Code, Retrofit,

MVVM Architecture, Firebase,

Git/GitHub.

LANGUAGES

English (Fluent)
Bengali (Fluent)
Hindi (Intermediate)

PROFESSIONAL SUMMARY

Motivated MCA (Appearing) student with a strong foundation in programming and software development. BCA graduate (2025) with industrial training in Android App Development at Euphoria GenX, and hands-on experience in native Android, cross-platform Flutter development, and PHP (Laravel) backend API development. Strong problem-solving skills, adaptability, and eagerness to contribute to innovative IT and software projects.

PROJECTS

MAKAUT Notes   2025
Android App (Java, PHP, MySQL, Retrofit, Razorpay, Firebase).

- Developed an Android application for students to access PDF study notes categorized by stream → semester → subject.
- Implemented secure PDF viewing with payment-based access (6 months' validity per purchase).
- Integrated Razorpay payment gateway for in-app purchases.
- Built backend with PHP + MySQL, connected via Retrofit + MVVM architecture.
- Features include user authentication, onboarding, device-restricted login, OTP verification, and family-safe access controls.
- Designed a secure in-app PDF viewer with screenshot restriction, screen recorder, and tap jacking.

ETS (Android App)   2023 - 2024
Native Android Application for Online Home Service

- This app converts a website into an Android app.
- I primarily use Java for Android logic, and for design, I use XML.
- I use Retrofit to fetch data from the REST API, and I use MySQL for local databases.

CERTIFICATES

Industrial Training in Android App Development :
Completed at Euphoria GenX, in collaboration with Murshidabad College of Engineering and Technology
Duration: June 2025 – August 2025

EDUCATION

Masters of Computer Application   Appearing
Techno India University

Bachelor of Computer Application   2022 - 2025
Maulana Abul Kalam Azad University of Technology, Kolkata

Higher Secondary
The West Bengal Council of Higher Secondary Education   2022
